PROFESSIONAL EXPERIENCE

CAG Research & Consulting LLC, Melville, NY

Research Associate Consultant, 2019 to Present

- Research Associate Consultant with technical expertise and experience evaluating criminal justice practices, reforms, and systems, as well as employment and training programs and youth development programs. Current responsibilities include project management, data management, report and proposal writing, and conducting implementation research, with prior experience in data processing and analysis (in R and SAS).
- Project Manager for the Pretrial Justice Collaborative project, an MDRC study of pretrial supervision techniques and court appearance rates in 8 jurisdictions across the country. Responsibilities: communicating with funder on a regular basis, including writing grant reports and providing project updates; together with Project Director, managing project work across the 8 site teams, including qualitative and quantitative components, in order to meet project timelines and goals; liaising with Resource Manager and Project Director regarding staffing, budgetary issues, and workplan; sharing project updates at management meetings; leading data management efforts, including assisting with the development of an MOU template for partner jurisdictions and data providers, leading calls with data providers to discuss data requests, working with Data Librarian to log files received, drafting processing plan for programmers, contributing to analysis plan, and overseeing data processing and acquisition work; setting agendas and leading team meetings with internal and external team staff; drafting materials and delegating work related to project milestones; overseeing the IRB review process, including drafting IRB application materials and presenting project at IRB review meeting; and contributing to implementation research.

MDRC, New York, NY

Research Associate, 2019

Research Analyst, 2015-2019

- Responsibilities included data management and acquisition, data processing, impact analysis, research design, implementation research, and authoring reports and other deliverables.
- Projects included the New Jersey Pretrial Justice Reform Study, a quasi-experimental evaluation of a series of criminal justice reforms implemented in the state of New Jersey,

including the use of a pre-trial risk assessment tool to inform judges' decision-making at arraignment (lead author and analyst on New Jersey analysis); the Subsidized and Transitional Employment Demonstration, a random assignment evaluation of innovative subsidized employment models that target adults and young people with barriers to employment (lead author and analyst on Los Angeles final analysis); the Summer Youth Employment Program Evaluation, a lottery-based evaluation of New York City's summer youth jobs program (co-author on report and lead analyst); and the Learn and Earn to Achieve Potential Evaluation, a qualitative evaluation of an education and training program for young people who are homeless or involved in the child welfare or juvenile justice systems (data manager).

The Commonwealth Fund, New York, NY

Research Associate, 2014 to 2015

- Conducted quantitative cross-national comparisons of health system performance and developed annual Commonwealth Fund International Health Policy Survey
- Taught course for employees on data analysis and programming in Stata

Columbia Population Research Center, New York, NY

Research Assistant, 2013 to 2014

- Collected, processed, and analyzed survey data from a longitudinal study on poverty and well-being in NYC
- Wrote briefs on findings and contributed to grant proposals

National Council on Aging, Washington, DC

Graduate Research Fellow, 2013 to 2014

- Performed quantitative analysis of health and social indicators of fall risk among older adults, a collaboration between the National Council on Aging and the USC Fall Prevention Center of Excellence
- Helped develop a nationwide economic security screening tool to improve access to employment and benefits

Emerald Isle Immigration Center, New York, NY

Social Work Intern, 2012 to 2013

- Provided case management and counseling services to a diverse immigrant population

New York University Department of Sociology, New York, NY

Managing Editor, 2011 to 2012

- Managed over 25 authors, contributors, editors, and research assistants in producing a department-wide innovative Sociology textbook, published by Pearson Higher Education

New York University Department of Sociology, New York, NY

Research Assistant, 2009

- Conducted literature review on inequality and discrimination for Department Chair

New York University Department of Philosophy, New York, NY

Logic Grader, 2008 to 2009

- Graded weekly problem sets and held office hours to review lecture material for an undergraduate course on propositional and predicate logic
